

Invitation - Trade Mission to China

Supply Chain & Logistic Association Australia's Trade Visit to China In Conjunction with the newly set up Australia China Supply Chain & Logistics Alliance attending various Logistic and Supply events and forums in China

Australia-China Supply Chain & Logistics Alliance was set up by Australian International Trade Association (AITA) and the Supply Chain & Logistics Association of Australia (SCLAA) on 23th November 2018. The Alliance aims to promote the cooperation in supply chain & logistics between Australia and China by providing a series of services including exhibition, conference, forum, training program.

The Supply Chain & Logistic Association Australia's Trade Visit is a special event for Australia-China Supply Chain & Logistics Alliance, where you will participate:

- ◆ Belt & Road Australia China Logistic and Supply Chain Alliance 2019 welcoming dinner, China-Australia & NZ Trade Forum & Networking Dinner, Beijing
- ◆ AU & NZ Quality Export Base Promotion & Matching Forums in Beijing, Tianjin and other locations
- ◆ Belt and Road Economic and Trade Cooperation Summit -- Xining City Development & Investment Fair in Xining, Qinghai

These events will provide with the latest annual events in China in the sector of Supply Chain & Logistics, which is specially organized by SCLAA and AITA to provide a unique opportunity for the Alliance members to further engage with China Supply Chain & Logistics Industry from business groups to governments and NGO. It also provides a chance for those leading enterprises to display, promote and integrate market.

- Meet the key Governments, NGOs and Companies (Including ports site visit) in each location
- Visit Australia, NZ Embassy and other related organizations
- Business networking and matchmaking in the Forum & Networking Dinner in Beijing and the following forums in various locations
- Visit 3 port cities in China

Event hosted/organized/supported by:

- AITA & Associates
- SCLAA
- Ministry of Commerce
- China Council for the Promotion of International Trade
- Qinghai Provincial People's Government

Dates: July 30th – August 10th, 2019

Venue: Beijing, Cangzhou, Tianjin, Lanzhou, Xining, Guangzhou

AITA & Associates, honorably appointed to be the co-organizer of the 9th China E-Commerce and Logistics Collaborative Development Conference, cordially invite you to attend the following events:

Belt & Road Australia China Logistic and Supply Chain Alliance 2019 Welcoming Dinner, China--Australia & NZ Trade Forum & Networking Dinner, Beijing

The participants of this dinner include: 80 to 100 people from Key Chinese Central Governments and NGOs. The dinner aims to invite more key organizations to join the alliance and provide networking opportunities for interested parties from AU, NZ and CN in logistics, trade and beyond. Chairman Amanda will present certification to the new joiners.

Belt and Road Economic and Trade Cooperation Meeting Xining City Development & Investment Fair in Xining, Qinghai

Belt and Road Economic and Trade Cooperation Meeting -- Xining City Development & Investment Fair will be held in Xining, Qinghai from August 2nd to 3rd. Aligned with China's Belt and Road Initiative, this event will also take advantage of the Xining City Development & Investment Fair as a great platform that has successfully attracted foreign investment to the city and the Province of Qinghai. Key provincial and city officials and leading Chinese companies from a variety of industries (including logistics, trade, export & import and so on) will be present.

By attending SCLAA's Trade Visit, you will have the unique Opportunities to:

- To promote the coordinated development of e-commerce and express logistics
- To discuss current problems in synergy development of international and domestic e-commerce and logistics
- To network with Chinese peak Logistics giants and set up friendly relationship for future prospects
- To discuss the Informatization of Supply Chain & Logistics to lower cost and improve efficiency
- To discuss hot issues of smart logistics and big data application
- To promote the import of advanced Storage Handling Equipment & Warehouse Management System from Australia

To explore business opportunities with leading Chinese logistics & trade companies and establish relationships with Chinese government officials.
