On August 30, Toyota will be providing SCLAA members an exclusive tour of their Altona North manufacturing plant, established in 1994, the plant manufactures Toyota Camry and Aurion cars for the Australian market and export.

During the tour you will observe:

- Body panels pressing
- Robotic and manual welding
- The Paint Shop Foyer - outlining the painting process of vehicles
- Assembly - where the engine, suspension components, and finishing touches are made to each vehicle

For more information of the Altona "mega factory" visit: <http://www.toyota.com.au/megafactories-toyota>

With the car manufacturing industry pulling out of Australia in the coming years, this may be your last opportunity to witness first hand how one of the largest car manufacturers in the World works.

Clothing requirements:

- Full length trousers
- Flat closed-in shoes (no ballet shoes or heels)

Toyota will provide participants with the following PPE which must be worn during the tour:

- Hi-visibility vest
- Hair net
- Long sleeved jacket
- Safety Glasses
- Hard hat

Please note:

Attendance is subject to approval by Toyota. Toyota has the right to refuse applicants who are deemed a competitor due to its company policy.

Any participants not adhering to this requirement, or deemed to have unsatisfactory footwear or clothing will not be permitted on site tours.

No photographs or video recording is permitted. You will be requested to leave your mobile phone at Reception with Security during the event.

All participants must be at least 18 years of age and sign a "Plant Tour Conditions of Entry" form which details the above requirements and will be forwarded to all those who register for this event.
