Brad Wright, is one of Australia's leading authorities on single malt whisky. At this event, Brad will showcase four different styles of whisky, one from each of the key regions in Scotland; Islay, Speyside, Highlands and Lowlands. Also included in the event is Michael Byrne, a connoisseur of French Champagne, who will introduce you to the splendid flavours of the Champagne region. Each tasting, whether champagne or whisky, will be complemented by charcuterie boards providing exquisite tastes from local fresh produce prepared by Annie Pease from the renowned Paddington Deli & Epicerie. All profits made from this event will go to providing 800 Christmas Hampers and 300 Mothers Packs for families who are in need at Christmas.
