Q-Catering Site Visit Perth Airport

Thursday, 6 April 2017

**An amazing opportunity to attend a full site tour of the Q-Catering
airline food preparation facility at Perth Airport.**

Ever wondered how the food and beverages for airlines is prepared, packed then transported, in time for your next national or international flight ... all ready for you to enjoy?

When: Thursday, 6 April 2017

Where: Q-Catering, 58 Affleck Rd, Perth Airport (near T1, T2)

Cost: Members: No charge Affiliates: \$32.00 Non-Members: \$32.00

Time: 8:00 am - 9:30 am

Parking: As there are multiple Q-buildings and entrances to various car parks, directions are as follows;

- From the Grogan Rd end, travel 350m along Affleck Rd.
- Just past the second DHL building turn Right into the Q-Catering driveway with the White Entry facades and showing 58 Affleck Rd.
- Once through entrance, there are two buildings (1x left, 1x right of the driveway). Park in any permitted car bay and walk to the left hand side of the Right building.

Contact: Colin Harris - WA State Business Development Manager (Q-Catering WA)

Registrations close on 31 March 2017

LIMITED SPACES AVAILABLE

Q-Catering WA is opening up their doors to SCLAA, to give you an all-access guided tour to their amazing Perth airport facility.

The logistics involved will boggle your mind, as will the sheer scope of tasks to be completed each and every day. These tasks range from cleaning thousands of utensils, preparing a myriad of different meal types for a particular airline's requirements and packing to match an aircraft's galley layout/specifications.

Add in, staffing/rostering for 24/7 operations, strict food handling requirements and mix well with unbelievable deadlines and you get an amazing operation. This facility is a well-oiled machine and a mini city microcosm all in one.

They cater for a variety of customers including Qantas, Singapore Airlines, Thai Airways, Cathay Pacific, Philippine Airlines and Vietnam Airlines along with airport lounges, hospitals and nursing homes.

Please join us for this amazing site visit and tour.
