A discount supermarket with the mission of providing high quality products at the lowest possible prices, ALDI has grown into one of Australia's top 10 retailers in less than 10 years.

Committed to further expansion, ALDI entered the WA market in June 2016, opening 27 stores across the state and re-shaping the WA grocery retailing landscape in what has been described as "the ALDI effect".

Tarkan Erturk, Logistics Director for ALDI WA, responsible for the setup of the Jandakot Distribution Centre, a cornerstone in ALDI Western Australian expansion, will be talking about:

- ALDI Vision and Values.
- ALDI's Western Australia market entry.
- Logistics at ALDI in WA - the challenges and opportunities faced.
- "We are only as good as our people". The people behind the business and the people who will ensure the success of ALDI in the future.
- Graduate opportunities at ALDI.
