

# VICT/TAS SCLAA Industry Site Tour # 2

## Victoria International Container Terminal

### Friday, 24 May 2019

Please join us again on Friday the 24th of May for an exclusive guided site tour of one of the world's most automated container terminals. Those who attend this event will get free entry to our first networking event at The Crafty Squire, 127 Russel Street, Melbourne.

Victorian International Container Terminal (VICT) is Australia's first, fully automated container terminal. Welcoming its first vessel in March, 2017 at Webb Dock East in the Port of Melbourne. VICT provides highly efficient, safe and accountable stevedoring services to the both shipside and landside users.

The most advanced technology is used to fully automate the processes to deliver the extra capacity to the Port of Melbourne to support continued growth with 1 million+ TEU annually.

VICT innovation lies in integration - selecting world class technologies to provide seamless operations end to end.

VICT's high tech terminal ensures a safe working environment for all employees and customers with a proven and enviable track record in setting high safety standards.
