SCLAA WA / CIMA

The state of Blockchain and its impact on Finance Profession

Wednesday, 7 August 2019

CIMA has kindly invited its SCLAA colleagues to attend a presentation to hear from an expert in the field of 'Blockchain Technology'. Coffee & refreshments will be provided.

Because Blockchain already has – and will continue to have – a significant effect on the finance function, management accountants must get up to speed to explore the various ways that it can be used to streamline processes and drive growth within their organization. Gaining an understanding of Blockchain basics and how the tool is evolving is a good place to start and we can help. Lindsey has a way of explaining what blockchain is and how it functions that will make its potential abundantly clear!

- Date:** Wednesday, 7 August 2019
- Venue:** Michael Page, Westralia Plaza Level 6,
167 Saint Georges Terrace
- Time:** 7.30am to 9.30am
- Cost:** SCLAA Members - No charge
