

INVITATION

TNT Australia has invited the WISC community to visit its premier SuperHub located at Melbourne Airport. TNT's Melbourne Airport Facility is the largest facility in TNT. The state of the art sortation system quickly and efficiently process parcels ready for shipment anywhere in the world.

You are invited to a networking function for the WISC community hosted by TNT on:

Date: Friday 25th November 2016

Time: 6pm to 8.30pm

The evening will commence at 6.30pm with guest speakers from both TNT and WISC. All guests will be able to attend a site tour of the TNT facility in action. Light refreshments will also be available. Please advise of any dietary requirements.

Register your interest without delay as places are limited. Please respond via email to womeninsupplychain@gmail.com by 14th November 2016

Note: The TNT SuperHub is an international facility. Upon registration on the evening a government issued photographic identification (drivers licence) will need to be presented and registered in the visitors log. Please note closed toe footwear is required as we will take a depot tour.

About TNT

TNT Express, a FedEx company, is one of the world's largest express delivery companies. On a daily basis, TNT Express delivers close to one million consignments ranging from documents and parcels to palletised freight. The company offers road and air delivery services in Europe, the Middle East and Africa, Asia-Pacific and the Americas. TNT Express made €6.9 billion in revenue in 2015.
