Experience

An expert committee of supply chain industry leaders has again crafted a program that will meet the needs of Supply Chain and Logistics Managers from all disciplines. Attendees will have extensive opportunities to engage, connect and network via site visits, SMART Expo 2017, Supply Chain Industry Dinner & Smart Awards. Here is your best all-in-one chance to engage with the largest gathering of your peers in the region.

Thought Leadership

Featuring thought-leader plenary keynotes, best practice case studies, workshops, interactive panel discussions, 50+ speakers, a choice of 5 thematic streams aligned to apicsAU special interest groups - the program for Smart 2017 has been designed to empower supply chain, logistics and procurement professionals with the knowledge, skills and capabilities needed to deliver innovation, productivity and performance.

Vision

Discover what it takes to leverage your supply chain to new levels of efficiency, and performance.

Find out how to help your company's supply chain, procurement and logistics people succeed in an age of unprecedented technological and industry disruption.

Learn how to create a culture of excellence, innovation and continuous improvement that delivers real competitive advantage.

Back in Sydney

Smart is back in Sydney for the first time in four years and will be one of the first major events to be held at the world class International Convention Centre (ICC). The ultramodern, flexible venue is set alongside Darling Harbour and adjacent to Australia's largest CBD and new financial services hub.

ICC is just 8kms from Sydney Airport; has two light rail stations, is a short walk to Central and Town Hall stations and has 43 major hotels within walking distance. With its new fully integrated facilities, world class cuisine and spectacular views, ICC Sydney is the perfect venue for Smart 2017.

About the organisers

The SMART Conference is a biannual event brought to you by the Australasian Production and Inventory Control Society (apicsAU) and InterPoint Events Pty Ltd. These organisations are proud to once again present a multi-faceted conference and exhibition for supply chain and logistics professionals: an event truly created by the industry, for the industry.

apicsAU – Australasia's Premier Professional Supply Chain Community – is a premier non-profit, professional membership community providing leadership and innovation, education and training and professional development for the Australian supply chain, procurement and logistics community. These include formal education programs; encouraging and assisting industry education and research; and working towards a more qualified and efficient industry in Australia. www.apics.org.au

Interpoint Events is an important marketing component of The Intermedia Group, a leading Australian publishing, event management and technology business. Interpoint

Events was launched in 2004, and specialises in the organisation and management of exhibitions, conferences and custom event marketing. Interpoint Events will present the Smart Expo 2017. www.intermedia.com.au

Smart Awards Details Confirmed

Outstanding individuals and organisations in supply chain and logistics will be recognised in the Smart 2017 Awards.

These prestigious awards are judged by subject matter experts from the associations, making them both unique in Australasia, and a highly-prized accolade.

The awards are open to any Australian organisation that meets the entry criteria.

There are five national categories:

- 1 The Award for Excellence in Event, Humanitarian or Military Logistics
- 2 The Award for Excellence in Manufacturing Supply Chains
- 3 The Award for Excellence in Procurement
- 4 The Award for Excellence in Supply Chain Management and Distribution
- 5 The Award for Excellence in Transport and Logistics

Winners will be announced at the Smart Supply Chain Industry Gala Dinner in Sydney on Thursday, 30 March 2017.

You can enter your organisation or an individual in the Smart Awards 2017, until 31 January 2017. Visit
